# TIS-Web® DMM 5.x

User Levels | Version 01.01

**VDO**

In TIS-Web® DMM 5.x the access to certain functions or reports are controlled by so called user privileges. The set of enabled privileges is grouped in a user level.

To use TIS-Web® DMM 5.x the user has to get one of the user levels assigned. In the following table you will find the privileges settings for the three defined user levels:

- **Europe Basic**
- **Europe Advanced**
- **Europe Professional**

In case you wish to get a different user level, you should contact your TIS-Web® Solution Provider.
